

MTC Membership 2007

Dear Member

Thank you for choosing to join Mawdesley Tennis Club.

For 2007, we are introducing a new way of identifying our MTC members. Enclosed is a key fob which we would like you to display on your keys or racket case/bag. We can use this key fob to identify members from non-members when you are at the club, so please make sure you bring it with you whenever you play.

As we have over 180 junior and senior members there may be times when you are asked to prove your membership. By attaching your key fob to your keys or racket case/bag your membership can be proved quickly and easily.

Thank you for your co-operation and enjoy your tennis!

Trevor Hale - MTC Chairman
